

Practice Selecting Techniques to Effectively Address Inappropriate Behavior

Strategies to Manage Minor Behavior			
Proximity Signal, Non-verbal Cue	Ignore/Attend/Praise Re-direct	Re-teach Provide Choice	Student Conference

Misbehavior	Which strategies would be the best to use for each scenario?	Why?
1. Fred is blurting out answers during a review of yesterday's lesson.		
2. After re-directing Jake for being off-task, he is again turned around, trying to get Marc's attention.		
3. Amy is daydreaming and looking out the window during instruction.		
4. Wilma does not have a pencil again today to complete the class activity.		
5. The class is getting loud during their paired group work activity.
